

ENTERTAINMENT EQUITIES would be pleased to hear from suppliers and crafts persons who might be interested in supplying existing products, or manufacturing quality merchandise, for the projects in our Boutique Department Store.

The merchandise needs to be visually “themed” to suit the storyline for each of the musicals or, in the case of “Small Talk” and “Champions Incorporated”, to be visually “themed” to suit the subject matter of the project.

The projects include “themed” merchandise for;

- The Red Roses Musical
- The Times Square Musical
- The Promised Land Musical
- Broadway to the Bush
- Small Talk
- Champions Incorporated

Please email us to receive more detailed information on the types of products, supply terms, designs, specifications, and quantities of the “themed” merchandise required.

Entertainment Equities also sells many products and brands (sold on consignment under “Other Products”) that are unrelated to our musicals and projects - we invite suppliers to submit their products / brands for our consideration.
