

SPONSORSHIP AND ADVERTISING OPPORTUNITIES:

Corporate sponsorships (including naming rights) and advertising are being sought for the local, national, and international performances of the musicals being produced by Entertainment Equities - corporate sponsorship is also being sought for the “not for profit” foundations associated with the musicals.

There are four levels of sponsorship for each musical;

- Naming rights sponsor (one only per musical)
- Major sponsors (only three per musical)
- Gold sponsors (multiple sponsors for each musical)
- Silver sponsors (multiple sponsors for each musical)

Sponsorship packages are individually designed (and individually priced) to best suit the sponsor’s requirements and can include financial sponsorship or the provision of a range of services for the performances and your staff can be involved in volunteering their services (with complimentary tickets) at the performance sites.

A naming rights sponsor can have large signage on semi - trailers that will travel across Australia and internationally (transporting production equipment), have large signage at the various performance sites, and naming rights sponsor’s commercials can be played on giant video screens at each performance - naming rights sponsors product placement can take place in the musicals.

Sponsorships can be on music CD’s, on the musicals MERCHANDISE, on DVD’s, in the associated DOCUMENTARIES, on various WEBCASTS, and at DIGITAL CINEMA screenings.

Smaller (inexpensive) sponsorships and advertising are available for the TICKETING web pages, for the ONLINE SHOPPING web pages, for the COMPETITION web pages, for the CONTACT US web pages, in the EMAILED NEWSLETTERS, and on our YOU TUBE, FACEBOOK, and TWITTER sites.
